

# Modernize your business workflow

Empower users to lead the digital revolution with a refreshed, secure and powerful PC fleet. New OptiPlex desktops with the latest Intel® Core™ i7 vPro™ processor provide a platform of built-in solutions to unlock the ultimate enterprise-class computing experience.

## Major productivity gains

Up to 65% faster multi-tasking<sup>1</sup> and up to 50% better productivity<sup>2</sup> than a 5 year old system.

## Lockdown your endpoints

Intel® Authenticate and Dell ControlVault™ provide a robust multifactor hardware security solution that reduces exposure to software-level attacks<sup>3</sup>.

## Effortless collaboration

Intel® Unite® enables faster meetings in smarter spaces with OptiPlex Micro.

## Game-changing flexibility

Reach ALL your systems, even when out of band. Update once and update everywhere. Only Dell offers one-to-many capabilities with The Dell Command | Intel® Core™ i7 vPro™ processor Out of Band console<sup>4</sup>.

## Optimized for Windows 10

Experience full-performance, sleek desktop form factors without compromise. Brilliant touch-enabled OptiPlex All-in-Ones provide immersive interaction, optimizing workspace and your IT investment.

<sup>1</sup> Source: Intel® 2017 - As measured by SEG572, which is an office productivity and multitasking workload using Word (save to PDF), Excel (recalc), PowerPoint (slide sort), and NXPower Lite Desktop (to shrink contents with office documents, kind of like compression), all while playing video in the background (simulating the watching of a business training or webcast).

<sup>2</sup> Source: Intel® 2017 - As measured by an overall score of SYSmark® 2014, which is a benchmark from the BAPCo® consortium that measures the performance of Windows® platforms. SYSmark tests three usage scenarios, including office productivity, media creation and data/financial analysis using real applications from independent software vendors.

<sup>3</sup> Intel® Authenticate is complementary to Dell security solutions, requiring application download: <https://downloadcenter.intel.com/download/26501/?v=t>

<sup>4</sup> Source: Based on June 2014 Principled Technologies report commissioned by Dell, "Remote Notebook Management: Dell Extensions Supporting Intel vPro Technology and Dell Integration Pack 3.1".
